

2018 3rd International Conference on Mechanical Engineering and Robotics Research

December 17-19, 2018, Storey Hall of RMIT University, in Melbourne, Australia

ICMERR 2018 Website: <http://www.icmerr.com/>

About ICMERR:

2018 3rd International Conference on Mechanical Engineering and Robotics Research (ICMERR 2018) aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professional practice in mechanical engineering and robotics techniques.

ICMERR is also the Annual Meeting of IJMERR Editorial Board, so it also serves to bring authors and editors of IJMERR together to communicate face to face and discuss chances for possible cooperation and future development of IJMERR. Welcome scholars and researchers working in the field of mechanical engineering and robotics from all over the world to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

Topics:

Mechanical Engineering: Acoustics, Analytical mechanics, Applied Mechanics, Computational mechanics, Combustion and Fuels...

Robotics: Active perception & 3-D perception, Artificial intelligence, Automatic 3D buildings design, Automation, CNC Machines & Robotics, Autonomous robotic vehicles...

Machine Design: Manufacturing Engineering, Material Science & Metallurgy, Mechatronics, Operations Research and Industrial Management, Production Management, Refrigeration & Air-Conditioning.....
